

**What Is the goal for Summer Enrichment? (For Saint Mary's Students ONLY)**

Our High School Summer Enrichment Program provides a range of academic enrichment courses that will engage and challenge high school students. We believe in creating a series of experiences directed to help each student become more confident in themselves and able to think critically.

- The curriculum is designed to give students an opportunity to explore topics and ideas that they might not have mastered or been exposed to during the academic school year.
- The 2018 summer session begins on Monday, June 18, and ends on Friday, July 13. Classes will not meet on Wednesday, July 4th.

**Morning Session: 9:00 am – 12:00 pm**

**Reading & Writing Workshop**  
 Practice critical reading and writing with a focus on grammar – this is a perfect class designed to hone your Language Arts skills and have more success in the classroom.  
**June 18 - June 29 ~ Cost: \$270**  
**July 2 - July 13 ~ Cost: \$240**

**Afternoon Session: 1:00 pm – 4:00 pm**

**Jump In to Geometry**  
**Open to Saint Mary's rising sophomores**  
 This course is designed to help rising sophomores prepare for Geometry next year.  
**June 18 - June 29 ~ Cost: \$270**

**Algebra Refresher**  
**Open to Saint Mary's rising sophomores & juniors**  
 This course is designed to help rising sophomores and juniors prepare for Algebra 3-4 next year.  
**July 2 - July 13 ~ Cost: \$240**

**Remediation Courses**  
**Open to Saint Mary's**  
**Sophomores, Juniors, & Seniors**

**June 11 - July 13**  
**9:00 am - 12:00 pm**  
**\$430- one course**  
**(\$530 for each Spanish and Science course)**

We are offering an opportunity for students to remediate a class that they earned a grade of D+ or below. Students will complete their course through an online portal and receive support with an onsite teacher and tutor. There will be additional work that needs to be completed at home. This supervised environment will provide the foundation for a successful completion of each class.

**Courses offered:**

**Math:** all levels of Algebra and Geometry  
**Science:** Biology, Chemistry and Physics (**\$530 for each one-term course**)  
**English:** all grade levels  
**Social Studies:** World History, US History & Government  
**Spanish:** all levels of Spanish (**\$530 for each one-term course**)

**College Access**  
**Open to the Class of 2019**

**June 14, 15 - August 2, 3**  
**9:00 am - 1:00 pm**  
**\$430**

Class of 2019 – Don't miss out on this opportunity to get a head start on the college process! The College Access program is designed for rising seniors to get a jumpstart on the college admissions process. Over the course of 4 meetings – 2 in June, and 2 in August - students will complete and confirm their college list while developing a strong understanding of the UC/CSU/Private college applications, including teacher and counselor recommendations and other supporting documents.
