

What Is the goal for Summer Enrichment? (For Saint Mary's Students ONLY)

Our High School Summer Enrichment Program provides an academic enrichment course that will engage and challenge high school students. We believe in creating an experiences directed to help each student become more confident in themselves and able to think critically.

- The curriculum is designed to give students an opportunity to explore topics and ideas that they might not have mastered or been exposed to during the academic school year.
- The 2019 summer session begins on Monday, June 17, and ends on Friday, July 12. Classes will not meet on Thursday or Friday, July 4 and 5.

Cultivating Academic Excellence

For Sophomores, Juniors, & Seniors

June 17 - June 28
9:00 am - 12:00 pm
Cost: \$300

In this two-week course students will build the skills that colleges and universities identify as crucial for college success. Course includes practice and support in: critical thinking, reading, math, time management, test preparation and test-taking skills. Course will include one-on-one analysis and coaching based on prior academic successes, struggles, and standardized test scores. This course is for students who have the motivation and desire to enroll in AP or Honors courses, but have not yet met the prerequisites. The course is also open to students who are enrolled in AP and honors courses and would like support in preparing for the academic workload.

Remediation Courses
Open to Saint Mary's
Sophomores, Juniors, & Seniors

June 10 - June 28
9:00 am - 12:00 pm
\$430 - one course
(\$530 for each Spanish and Science course)

We are offering an opportunity for students to remediate a class that they earned a grade of D+ or below. Students will complete their course through an online portal and receive support with an onsite teacher and tutor. There will be additional work that needs to be completed at home. This supervised environment will provide the foundation for a successful completion of each class.

Courses offered:

Math: all levels of Algebra and Geometry

Science: Biology, Chemistry and Physics

English: all grade levels

Social Studies: World History, US History & Government

Spanish: all levels of Spanish

College Access
Open to the Class of 2020

August 1 and 2
9:00 am - 2:00 pm
\$430

Class of 2020 – Don't miss out on this opportunity to get a head start on the college process! The College Access program is designed for rising seniors to get a jumpstart on the college admissions process. Over the course of 2 meetings, students will complete and confirm their college list while developing a strong understanding of the UC/CSU/Private college applications, including teacher and counselor recommendations and other supporting documents.
